

ePortal Law Enforcement Agency Registration Form

Cindy Stuart

Clerk of the Circuit Court

13th Judicial Circuit

Tampa, FL 33602

The Law Enforcement Agency (LEA) Administrator Security allows the user to update the LEA's account, reset user passwords, inactivate accounts and add additional accounts to the organization. An organization should consider having an alternate administrator to cover leave time, self audit and manage workload.

Instructions: Use this form to establish a law enforcement agency account and designate an administrator from within your organization to serve as the Account Administrator. **Please fill out the Registration form online, or print clearly, or type. Send completed Registration form to:** LawFirmRegistration@hillsclerk.com
