[S-2024-019, S-2024-017, S-2024-016, S-2024-013](#)

In order to populate the Plant City Divisions per the above Administrative Orders, a random process is utilized to select and reassign certain cases. Cases with a future hearing scheduled within the next 45 days are excluded from this reassignment process.

The Reassigned Cases files provided in both PDF and .csv formats, contain the detailed listing of cases reassigned, and include the Case Number, Case Style and Previous Division Assignment.
