Notes:

- The payment FROM the Clerks' Trust Fund represents the amount the Clerk is estimated to receive from the Clerks' Trust Fund annually. The amount of dollars received from the Department of Revenue should be reported on this row by month.
- The payment TO the Clerks' Trust Fund represents the amount sent to the Clerks' Trust Fund each month, as established using the methodology in section 28.37 F.S.
- Actual revenues and expenditures can be reported on a cash or accrual basis.
- Make sure you indicate cash or accrual basis in the box at the top of the report.
- Balances are derived from the Original Budget revenue projections submitted by each Clerk.
- These sections are not to include the 10% of court-related fines collected by the clerk and deposited into the clerk's Public Records Modernization Trust Fund as per Ch. 2009-204, L.O.F.
- These sections are not to include the \$80.00 collected on filing fees maintained by the Clerk.
- The cells below contain the running balance of the 10% from July 1, 2009 - September 30, 2016
- This section is to include any encumbrances, commitments or amounts planned to be spent from the 10% fine.
- This is the Estimated Excess Annual Revenues collected for each of the months that equate to more than 1/12th of the CCOC Annual Budget. Each month's 1/12th Estimated Excess will calculate the amount that the previous month's collections are greater than 1/12th of the Annual Budget less juror funding.
- The current CCOC Budget Authority's Court Related Expenditures was approved by the Budget Committee on 07/25/2016, the Executive Council on 07/28/2016, and the LBC on 09/12/2016. Any revenues received for juror expenses does not increase the CCOC approved budget cap because it includes anticipated juror funding.
- The Juror Program Funding represents the estimated annual jury funding for each Clerk.
- The Juror Related Expenditures should include actual expenditures incurred during CFY 2016-17 related to jury up to, but not exceeding the actual funding amount. Expenditures exceeding the funding amount should be reported on line 113 above and will also be captured on the quarterly jury expenditures report.
