Notes:

- ¹ The current CCOC Budget Authority/ Court Related Expenditures was approved by the Budget Committee on 08/23/2017 and the Executive Council on 08/31/2017. This authority does not include any funding related to Juror Management.
- ² Make sure you indicate cash or accrual basis in the box at the top of the report.
- ³ Actual revenues and expenditures can be reported on a cash or accrual basis.
- ⁴ These sections are not to include the 10% of court-related fines collected by the clerk that were previously held in the Clerk's Public Records Modernization Trust Fund that were redirected into the CCOC Fines and Forfeiture Trust Fund with the passage of SB 2506 June 2017.
- ⁵ This line is to track the 10% of court-related fines collected by the clerk that were previously held in the Clerk's Public Records Modernization Trust Fund that were redirected into the CCOC Fines and Forfeiture Trust Fund with the passage of SB 2506 June 2017. This is to facilitate Revenue projection needs going forward.
- ⁶ These sections are not to include the \$80.00 collected on filing fees maintained by the Clerk.
- ⁷ These lines should be used for fines and fees that were redirected with the passage of SB 2506 in June 2017. They are being tracked separately to aid in future forecasting of revenues.
- ⁸ Balances are derived from the Original Budget revenue projections submitted by each Clerk.
- ⁹ The payment FROM the Clerks' Trust Fund represents the amount the Clerk is estimated to receive from the Clerks' Trust Fund annually. The amount of dollars received from the Department of Revenue should be reported on this row by month.
- ¹⁰ Court-related Expenditures are not to include those related to Jury expenditures that are tracked on the Jury Management Actual Expenditures Report.
- ¹¹ The payment TO the Clerks' Trust Fund represents the amount sent to the Clerks' Trust Fund each month, as established using the methodology in section 28.37 F.S.
- ¹² This is the Estimated Excess Annual Revenues collected for each of the months that equate to more than 1/12th of the CCOC Annual Budget. Each month's 1/12th Estimated Excess will calculate the amount that the previous month's collections are greater than 1/12th of the Annual Budget less juror funding.
