Securities and Exchange Commission Rule 15c2-12

Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") requires bond issuers to undertake to continually disclose certain information to the municipal marketplace for those bonds delivered on July 3, 1995, and thereafter (the "effective date"). Hillsborough County has provided disclosure in each of the official statements for bonds issued since the Rule's effective date. The information provided in this report updates that information required by the Rule and is not an update of each respective official statement in its entirety.

There are two aspects to continuing disclosure reporting. First, there is the obligation to provide notices of twelve significant events, as listed, when and if they occur and if determined material. Additionally, issuers are obligated to disclose certain financial operating information. Specific financial and operating information disclosure requirements are defined in the continuing disclosure certificates approved with each bond issue subsequent to the Rule's effective date. This information requires annual update and reporting to the Municipal Securities Rulemaking Board website at www.emma.msrb.org.

Included within this report is a summary listing, which the County is required to provide annually by bond issue. Also included in this report is a disclosure prepared by the County Attorney's Office describing outstanding litigation, which may be material to the County (see Appendix A). The information contained in this report is for the County's fiscal year ended September 30, 2019. The Comprehensive Annual Financial Report (CAFR) was reported to EMMA on April 30, 2019

SECONDARY MARKET DISCLOSURE REPORT MATERIAL LITIGATION SUMMARY

Arising from the normal course of operations, the County is a defendant or plaintiff in, or could otherwise be affected by the outcome of, various lawsuits. With the exception of certain potential Workers' Compensation claims, the matters where the potential exposure to the County is equal to or greater than \$1,000,000 are as follows:

- 1. <u>Nicole Black v. Hillsborough County Board of County Commissioners</u>, Case No. 19-CA-010708. This is a paramedic negligence case involving the alleged failure to properly assess a patient who later passed away. The potential exposure is in excess of \$1,000,000.
- **2.** Pepper Contracting Services, Inc. v. Hillsborough County. This prelitigation construction contract claim, in which the contractor has filed a claim for extra work and extended overhead on a County Water/Wastewater/Reclaimed Water Pipeline Project, has a potential exposure in excess of \$1,000,000.
- 3. Stacy White, et al. v. Hillsborough County, Case No. SC19-1343. This case for declaratory relief, originally filed by a sitting Hillsborough County Commissioner in his official capacity, and subsequently amended and refiled by such Commissioner in his individual capacity, seeks to have an amendment to the Hillsborough County Charter, which provides for the levy of a one percent (1%) transportation sales surtax, ruled unconstitutional. The case was later partially consolidated with a Bond Validation action filed by Hillsborough County. The partially consolidated cases were appealed to the Florida Supreme Court which held oral argument on February 5, 2020. As of April 2, 2020, the Florida Supreme Court has not issued an opinion. The potential exposure is in excess of \$1,000,000.
- **4.** Robert Emerson v. Hillsborough County (formerly entitled John Cimino v. Hillsborough County), Case No. 19-CA-2483. This class action case for declaratory and injunctive relief requests that a class consisting of every resident of Hillsborough County be permitted to seek a refund from the collection of the one percent (1%) transportation sales surtax on all sales transactions subject to the tax since January 1, 2019. The case, and thus the establishment of a class, has been abated pending a

determination by the Florida Supreme Court in the case of <u>Stacy White, et al. v. Hillsborough County</u>, Case No. SC19-1343 regarding the constitutionality of the tax. The potential exposure is in excess of \$1,000,000.

The above listed claims are being vigorously defended.

Footnotes

- (1) Unless otherwise noted, amounts shown for each respective fiscal year were derived from: (i) audited Annual Financial Reports for the Department; and (ii) other financial information as provided by the Public Utilities Department and other County Staff.
- (2) Amounts include other operating revenue and unrestricted investment income; during the Fiscal Year 2014, the County suspended the application of the Accrued Guaranteed Revenue Fees (AGRF).
- (3) The Cost of Operation and Maintenance excludes depreciation and amortization expenses which are considered as non-cash expenses and excluded pursuant to the Resolution. Amounts shown are also net of capitalized labor and the payment of the Debt Component of the Cost of Contracted Water Supply from the Contracted Water Supply Capacity Fees (reference footnote 4 regarding the application of Pledged Capacity Fees).
- (4) Amounts shown reflect Capacity Fees and interest income earned on such funds adjusted by the estimated aggregate project expansion percentage for the Outstanding Bonds, at that time, to recognize the amount of fees collected which are pledged to the Debt Service Component of the Cost of Contracted Water Supply and the aggregate Bond Service Requirement attributable to Expansion Facilities; for the Historical Period, all Capacity Fees received by the System were recognized as a Pledged Capacity Fee.

- (5) As defined in the Resolution, the Bond Service Requirement is not to include any capitalized interest (funded from Bond proceeds) that has been deposited into the Debt Service Account, or any interest from the investment of funds on deposit in the Debt Service Account, the Construction Account and the Reserve Account.
- (6) The Rate Covenant as defined in Section 11.02 of the Bond Resolution is as follows:
 - Test 1: Gross Revenues plus Pledged Capacity Fees must be at least equal to 100% of Required Deposits;
 - <u>Test 2</u>: Net Revenues plus Pledged Capacity Fees must be at least equal to 120% of Bond Service Requirement; and <u>Test 3</u>: Net Revenues must be at least to 100% of Bond Service Requirements.
- (7) Required deposits as defined in the Resolution included transfers to the Operation and Maintenance Account to pay the Cost of Operation and Maintenance, Debt Service Account (less amounts deposited associated with interest earnings on the such account and the Reserve Account and any Federal Direct Payments), Reserve Account, and the Renewal and Replacement Account; amounts shown do not include transfers to the Subordinate Indebtedness Accounts (if any) as provided in the Resolution.
- (8) Reflects other required transfers that are recognized in the Resolution, payments which are subordinate to the payment of the Bond Service Requirement. (Reference Note 7 above).
- (9) No deposit to the Reserve Account was recognized since the fund was considered fully funded during the Historical Period by (i) the proceeds from the issuance of the Bond Outstanding; or (ii) secured by a debt service reserve credit facility during such period.
- (10) Amounts shown reflect deposit to the Renewal and Replacement Account equal to 5% of the precious year Gross Revenues as defined in the Resolution; the Department may have deposited an amount greater than the Renewal and Replacement Account Requirement.
- (11) As reported by the County, no other Subordinate or Other Indebtedness payable from the Pledged Revenues of the System were outstanding or required during the Historical Period.
- (12) Amounts shown do not included Pledged Capacity Fees that are deposited in a restricted account and used for the payment of the Debt Service Component of the Contracted Cost of Water Supply, expansion-related Bond Service Requirement payments or for the expansion-related capital improvements for the System.

⁽²⁾ Amounts shown include non-processable waste directly delivered to the Landfill, net tire wastes and minor amounts of non-processable waste diverted from Resource Recovery Facility to the Landfill.

⁽¹⁾ Recycling waste is the total inbound processed recycling to the contractor. During processing some of the material cannot be reculced and becomes a residual that is returned to the County and historically recorded as commercial processable waste.

⁽⁴⁾ Total residue, ferrous, and non-ferrous metals shipped wet.

⁽⁵⁾ The total tonnage from Service Area excludes solid waste received from incorporated municipalities outside the Service Area (i.e. City of Tampa).

⁽⁶⁾ Total tonnage does not include Resource Recovery Facility residue, ferrous and non-ferrous metal recovery and is adjusted based on transfer station variances.

⁽⁵⁾ The County previously charged \$150 annually for elective back-door service, however stopped charging and administrating this service during Fiscal Year 2014 concurrent with the new Franchise Hauler agreements. Residents seeking elective back-door service must contact ther respective Franchise Hauler for service availability and charges. Beginning with Fiscal Year 2014 elective back-door service collection units were reclassified to single-family customer classification.

Certain information in the foregoing table may differ from previously filed reports as a result of certain amendments to the Bond Resolution and subsequent interpretations of certain provisions of the Bond Resolutions.

Footnotes:

- [1] The amounts shown are based upon the County's Annual Financial Report. The calculation of compliance is based on the rate covenant requirements pursuant to Section 11.04 of the Bond Ordinance No. 16-24 adopted on October 19, 2016.
- [2] Amounts shown reflect other operating revenues including interest income on unrestricted cash balances as defined by the Bond Ordinance, general rents, royalties, public awareness program contributions made from the County's franchise collection haulers, revenues from the sale of ferrous and non-ferrous metals, and other miscellaneous revenues. In Fiscal Year 2019 amount include \$2,012,265 of liquidated damages for hauler service failures which is considered non-recurring.
- [3] Amounts shown reflect deposits to the Revenue Fund from the Rate Stabilization Fund to provide funds toward the rate covenant test.
- The Cost of Operation and Maintenance does not include depreciation and amortization expenses which are considered as non-cash expenses and excluded pursuant to the Bond Ordinance. The Cost of Operation and Maintenance does not include payments made by the County from the Closure Fund pursuant to Section 9.08 of the Bond Ordinance and determined as follows:

| Fiscal Year | 2018 | 2019 |
|---|----------------|---------|
| Total Landfill Closure Expenses | \$ 4,024 \$ | 2,300 |

- [5] Reflects when the Bond Service Requirement payments are made and not when amounts deposited annually to the Debt Service Fund. Such amounts are net of any interest earnings on deposits in the Debt Service Fund pursuant to the Bond Ordinance.
- [6] The Rate Covenant test are included in Section 11.04 of the Bond Ordinance. Test 1 and Test 2 are referred to as the "rate covenant test" and are as follows:

Test 1 = Gross Revenues are (as calculated for the test and include deposits made to the Revenue Fund from Rate Stabilization Fund and the General Purpose Fund) in each Bond Year in an amount at least equal to the aggregate of i) 100% of the Cost of Operation and Maintenance; ii) 115% of the Bond Service Requirement; iii) the amount necessary to make the deposits to the Debt Service Reserve Fund and the renewal and Replacement Fund; and iv) 100% of the payment to the Subordinated Debt Service Fund. Percent equates to amount Gross Revenues exceed the identified required deposits for calculation.

Test 2 = Gross Revenues (as calculated for the test which is without regard to any deposits made from the General Purpose Fund plus transfers from the Rate Stabilization Fund not to exceed 25% of the amounts on the deposit in the fund at the beginning of the current Bond Year) shall at least equal the sum of: i) 100% of the Cost of Operation and Maintenance; and ii) 100% of the Bond Service Requirement. Percent equates to amount Gross Revenues exceed the identified required deposits for calculation.

- [7] Amounts shown are presented for information purposes only and reflect the calculated debt service coverage exclusive of transfers from the Rate Stabilization Fund.
- [8] No required payments were identified as: a) the applicable Reserve Requirement was met through a fully funded cash deposit to the Debt Service Reserve Fund; and b) the Renewal and Replacement Fund Requirement was met through the maintenance of a fully funded cash deposit held within the Renewal and Replacement Fund as recommended by the County's Consulting Engineer.
